

Dear Cubs, Parents and Scouters,

Welcome to the 2020 National Virtual Cub Challenge. From Friday 19th June– Sunday 21st June Cubs are being invited to attempt 11 Challenges specifically designed to be undertaken at home through virtual Cub Scouting. This is a once in a lifetime event. Cubs from all over Ireland will be coming together to Scout apart at the same time. The true essence of 'Scouting together, apart'

What do you need to do to take part?

There are 2 important first steps

- Be a registered Cub Scout
- Wear your necker

Necker on? Let's get started

- Decide if you're taking part as an individual or with your entire pack

As an Individual Cub – Your pack may not be able to take part as a team virtually, but you can still take part, earn your badge, and spread some Cub Scout joy by taking part at home with your family! You'll need to get an adult to help you. On completing your challenges snap a photo or make a video (no more than 30 secs) an adult can fill out an Individual Submission form uploading your photos/videos of your attempted challenges. As a Pack – Your Scouter will arrange with you and your parents/guardians how the pack will work together to attempt the challenges. On completing your challenges snap a photo or make a video (no more than 30 secs) an adult will need to send your photos/videos to your Scouter who will fill out a Pack Submission form uploading the packs photos/videos of their attempted challenges. You can attempt the challenges at any time over that weekend, and spend as much time as you like working on completing a challenge. Submission forms will close at 10pm on Sunday 21st June.
