

SEMAPHORE

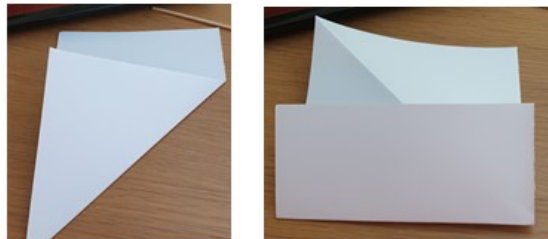

Make yourself some flags and spell your name using the Semaphore alphabet

You will need some A4 paper/card, scissors, skewers/toothpicks/straws, tape and some red and yellow markers or colouring pencils

Take your sheet of A4 paper and fold it in half...then cut it into two.

Take each of your two sheets in turn, fold the paper diagonally, then cut the rectangle off at the bottom, this will make your square flag.

Time to colour in – colour one diagonal piece of your flag red and the other diagonal piece yellow. Do this for both flags.

Then attach a skewer/toothpick/straw to the back of your flag and you are ready to go!
